

Breakfast Program

The school offers an Emergency Breakfast Program that is held daily from 8:35-9:00am and overseen by the Aboriginal Education Team and Leadership. This program should only be accessed by students who have not had breakfast or are experiencing familial hardships. Supervision of each morning session, is provided by Leadership on a weekly roster, and a member of the Aboriginal Education Team. In 2019, changes were made to the structuring of Breakfast Club which saw teachers being relieved of the responsibility of overseeing Breakfast Club to allow them more time to prepare for their daily lessons/ organisation and give Leadership an opportunity to build positive relationships with students from across the school in an informal setting.

In 2020, post COVID-19, the Breakfast Program was modified to promote social distancing. Only Emergency Breakfasts are now offered on a Daily basis, with the exception of Wednesdays when all students are able to access Breakfast Club.

Breakfast Club

Breakfast Club is ran on Wednesday mornings only. It is open to all students and is held from 8:35am-9:00am. The opening time for Breakfast Club changed in 2019, to coincide with the times students are permitted to be on the school grounds (under supervision).

Breakfast Club is held in the Aboriginal Education kitchen and Parent Room, and is overseen by the Aboriginal Education Team.

The food for the Breakfast program is provided by funding from the school, and Foodbank service. Ordering for Breakfast program, is the responsibility of the Aboriginal Education Team (and overseen by an ACEO).

SSOs who are asked to assist the supervision or running of Breakfast Club/ Program when ACEOs, AET or Leadership persons are absent can apply for TOIL. This needs to be negotiated with their Line Manager.

Children who access Breakfast Club are expected to:

1. Greet the adults supervising Breakfast Club (to promote Oral Language skills/ Greeting Customs)
