From the Principal

Dear Parents and Caregivers,

Our annual Book Week Parade was another great school event, the students and staff alike had a great time dressing up and getting involved with the parade. Thank you families for putting in the effort to organise costumes and attend the parade. It was delightful to see the joy on the children's faces.

We are starting to look forward to Family Night (Thursday 11 September), which is only a fortnight away. Classes have been working hard on their performances and we can't wait to see them up on the stage. Keep an eye out for more information which will be sent home as we get closer to Family Night.

Friday 12th September will be a whole school closure.

Reminder that on Monday's school finishes at 2:20pm. From Tuesday - Friday dismissal is 3:10pm.

Importance of Attendance

As a parent, making sure your child attends school every day is essential for their academic success and overall wellbeing. School attendance is a key factor in student achievement, and it plays a crucial role in shaping your child's future. The advantages of daily school attendance extend well beyond the classroom, embedding a set of skills and values that prepare students for both academic achievements and the broader life experiences that lie ahead.

Daily school attendance creates an uninterrupted learning experience, where each day builds on the previous one, reinforcing knowledge and understanding in a consistent manner. This continuous engagement in the educational process enables students to maintain a steady pace with the curriculum, ensuring they grasp key concepts and stay aligned with their classmates' learning trajectory.

At Flinders View, we ensure that our classrooms are warm and inviting for learning.

On Monday, Wednesday and Friday mornings we have Brekky Club, however Emergency Breakfast/Lunches are available every day.

Are uniforms still wet in the morning from the cold air? Loan uniforms are available to borrow for the day from the Aboriginal Education Room.

Thank you to the families who have reached out to ensure their children are coming to school regularly. We are here to support you.

2025 Parent Survey

The annual parent survey is underway and closes midnight Sunday 7 September. For more information please visit the department's website.

The survey aims to get your views on:

- what we're doing well
- where we can improve
- what's important to you as a parent/carer

Your answers won't identify you or your child and only collected feedback is provided to our school.

You should have already received a link to the survey via email or SMS. Reminder emails are currently being sent to you unless you have completed a survey or have unsubscribed.

Please take the time to complete the survey, this is valuable information for our school. If you cannot find the previously sent link, then please use this one:

Pancake Breakfast

On Wednesday morning students were treated with pancakes! It was a morning of sugary goodness with a selection of toppings – jam, honey, golden syrup, butter, vegemite, lemon and sugar. It was great to see so many of our students here and on time to enjoy the wonderful treat.

Thanks to everyone who organised and helped out, it was a wonderful way to start the day!

Here is what students loved about the pancakes:

'I loved having honey on my pancakes.' – Maliah-Lee

'The pancakes were really nice. I had golden syrup. I love the crispy ones.' – Taison

'They tasted really good with butter on them.' – Robbie

MEDIA ARTS - EARLY YEARS

Did You Know?

The desert rose, also known as the Native Hibiscus or Native Cotton, is recognized as a symbol for the Stolen Generations. It's the official flower for Sorry Day, a day to remember and acknowledge the pain and suffering of the Stolen Generations in Australia. The flower, chosen by members of the Stolen Generations, represents their resilience and strength, particularly their ability to survive in harsh conditions, and its purple color symbolizes compassion and spiritual healing.
