From the Principal

Dear Parents and Caregivers,

Welcome back, everyone, to term 4 and what a great start we have had!

We welcome back Mrs Ange McAuliffe from leave and to the new families who have joined us in the school and preschool.

To ensure a smooth transition, particularly for the Year 6 students in Room 1, Miss Jane Hamilton will continue teaching this class for the remainder of the year. If you are a parent of a year 6 student, please ensure your child's enrolment to Port Augusta Secondary School has been completed.

We have some exciting news! The department has approved the tender for enhancements to the undercover and courts area. We will keep you updated on the commencement of these works once we have more information. Stay tuned for updates on this space!

Preparing for 2026

We are in the process of finalising staffing for 2026. We are excited to welcome Mr. Lemberry-Koutlakis as a new teacher next year. Mr Lemberry comes to us from Kangaroo Island Community Education in Kingscote and brings a diverse background with experience in various teaching, curriculum, and leadership roles in international settings.

Additionally, we will be working on class placements for 2026. Families will be notified of their child's class assignment during the last week of term.

This process takes several weeks as we consider all combinations of classes and students to ensure the best possible outcomes.

Factors we consider include student friendships, as well as their academic, social, and emotional needs. If you have any requests regarding your child's placement for 2026 based on these needs, please submit them in writing to me by **Monday of Week 5 (3rd November)**.

If you are planning to leave in 2026 please advise of this ASAP.

If you know anyone interested in enrolling their children at Flinders View, whether in preschool or school, please encourage them to come to the school as soon as possible to complete the enrolment process and avoid missing out.

IMF I-CAN Championship

We are very proud to announce that four of our students, **Mahalia Amos, Kohen Mitchell, Gabriel Ostermann, and Ayana Reid**, have been invited to attend the Indigenous Marathon Foundation (IMF) ICAN Camp in Canberra from Wednesday, November 12th, to Monday, November 17th as part of our involvement in the ICAN program last term.

The ICAN Camp brings together young Aboriginal and Torres Strait Islander students from across Australia to enhance their confidence, leadership skills, and overall well-being through cultural, fitness, and team-building activities.

This is an incredible chance for our students to connect with peers from different regions, learn from inspiring mentors, and further develop their leadership skills and personal strengths.

We can't wait to hear about their experiences and the new skills and friendships they will bring back with them!

DRAMA

WITH MS. BARNES

This term in Drama, our students are exploring storytelling, characters, and performance!

Reception–Year 2:

- Reimagining fairy tales through mime, comedy, tragedy, dance, musicals, and masked drama.
- Practising teamwork, imagination, and performing in front of peers.

Years 3–6:

- Exploring the elements of drama—plot, character, dialogue, theme, and stage directions.
- Working together to adapt and perform well-known plays, building creativity, confidence, and collaboration.
