From the Principal

Dear families,

Welcome back to Term 4!

We have had a great start to the term, with students settling back into their learning and routines. We finished off last term with quite a few staffing challenges due to all the lurgies going around! Unfortunately, with so many staff away, we didn't manage to get another newsletter out to families before the holidays.

Family Night was a wonderful opportunity to bring our school community together and celebrate the creativity and talents of our students. I would like to thank everyone who came along and supported these events, along with the staff who put in many extra hours behind the scenes to make them happen.

Congratulations to Dani Barnes, the recipient of this year's Tom Venning Award. For 17 years, Dani has worked at Flinders View, contributing significantly to Aboriginal Education, the Arts, teaching and coaching our staff. Her behind-the-scenes efforts to support students and colleagues often go unnoticed. This award rightfully recognises her long-standing commitment to our school. Well done, Dani!

Staffing Update
We are pleased to welcome back Miss Tori Kay, who has returned from parenting leave and is teaching in Room 2 part time. We also welcome Kayley Tansell-Kennedy and Simone Williams, who have joined us as SSOs in Room 2, along with Amelia Butler, who has joined our front office team. We look forward to working with them and the contributions they will make to our school community.

Reminder to please let the front office know if your children will not be attending FVPS in 2027.

22 October 2026

Dear families,

I want to share some personal news with our families and the school community. After 20 years as Principal of Flinders View Primary School, I have decided to take Long Service Leave in 2027 and will not return afterwards.

This decision has been difficult for me, as Flinders View has played a significant role in my life. I've had the privilege of working with amazing students, families, staff, and community members. I'm proud of how our school has grown and evolved, creating an environment where students feel they belong, families feel welcome and Aboriginal culture is valued. While there's always more work to do, I believe Flinders View is in a good place.

I want to thank the families and staff, past and present, who have supported me throughout my journey. While I still love my role, I feel it's time for a change and to explore what comes next.

The Principal position is currently being advertised for the next 12 months. We will update our school community once the successful applicant has been announced. I am confident that they will be joining a school with dedicated staff, supportive families, and a strong foundation to continue progressing.

However, I'm not leaving just yet! I still have another eight weeks at Flinders View and look forward to making the most of this time with our students, staff, families and wider school community.

There is still plenty to do and lots to celebrate before the end of the year!

Kind regards,

Anna Nayda

Reminder

We would like to kindly remind everyone that students should not bring toys to school. This helps prevent lost or broken items and ensures that everyone can focus on their learning.

Thank you for your understanding and support.
